Training Courses

Under the
Professional Nurse Traineeship Program
of the U.S. Public Health Service

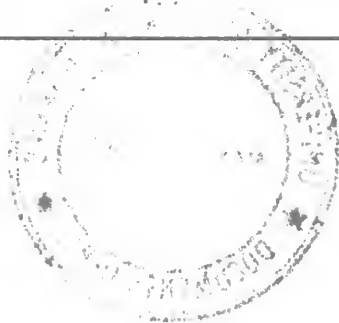

SUPPLEMENT B

To Public Health Service Publication No. 1154-1

REVISED FEBRUARY 1969

DISCRIMINATION PROHIBITED--Title VI of the Civil Rights Act of 1964 states: "No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." Therefore, the Professional Nurse Traineeship Program under the Nurse Training Act of 1964, like every program or activity receiving Federal assistance from the Department of Health, Education, and Welfare, must be operated in compliance with this law.

Digitized by the Internet Archive
in 2011 with funding from

University of Florida, George A. Smathers Libraries with support from LYRASIS and the Sloan Foundation

This list of short-term training courses supplements the information in the pamphlet "Professional Nurse Traineeships," Public Health Service Publication No. 1154-1, which briefly describes traineeship provisions for both full-time and short-term training. The schools offering traineeships for full-time academic study are listed in Supplement A. All three pamphlets are available from the Division of Nursing of the National Institutes of Health.

Supplement B (Revised February 1969)
